

Missing You ~ Harlan Coben

Page Turners Meeting - October 10, 2017 @ 6:30

Discussion Questions:

1. Does finding ex-fiancé, Jeff Raynes, on a dating site propel Kat Donovan back into her past or has she really never moved forward since the death of her father and the end of her engagement?
2. Does Coben give readers a clear enough depiction of what is happening to the victims in captivity? Why or why not?
3. Is Brandon Phelps a believable character? Is his concern for his mother realistic?
4. Which of the characters were realistic? Which were you able to relate to the most?
5. Are the resolutions to Kat's issues too neat and tidy?
6. Were you satisfied with the ending? To date, Coben has not written a sequel; do you think he should?
7. A critic writing for *www.mysteriousreviews.com* felt that, "*Missing You* is a meticulously plotted, nearly flawlessly executed suspense thriller." Do you agree with this statement? Why or why not?
