

***Gray Mountain* ~ John Grisham**

Page Turners Meeting – November 10, 2015 @ 6:30

Discussion Questions:

- 1) Did the premise for Samantha Kofer's journey to the Mountain Legal Aid Clinic in Brady, Virginia seem plausible for 2008?**

- 2) Samantha has several role models she can follow... her father, her mother, Mattie Wyatt, Donovan Gray, Andy Grubman. Who do you think she will model as her career continues?**

- 3) Were Samantha's clients at the Mountain Legal Aid Clinic realistic or does Grisham create stereotypical profiles for these characters?**

- 4) Were you surprised that Samantha and Donovan's relationship did not turn out differently?**

- 5) How surprised were you by the deaths in the novel?**

- 6) How does Samantha compare to John Grisham's other fictional lawyers?**

- 7) How much did you learn about coal mining or living in Appalachia? Is Grisham effective in his weaving of facts within the overall story narrative?**
